

SOUTHPORT & DISTRICT ANGLING ASSOCIATION
TWIN LAKES FISHERY
Brickcroft Lane, Bretherton PR26 9RF

To access the venue, leave Bretherton Road at the bottom of the railway bridge (there's a stone sign on the corner, along with several business signs) and turn into Brickcroft Lane. Follow the road past the football pitch on the left, beyond which on the righthand side is a turning. Bear right into the lane and the gates to the fishery are on your left after approximately 300m. Parking at this venue is contained within the site.
Note: The South Lake (on the left) can only be fished by members of the Specimen Membership. The North Lake (on the right) is available to the general membership.
